Sudhir Menon

CHIEF PRODUCT OFFICER

As chief product officer, Sudhir Menon leads the organization's engineering and support teams. He has been with Cloudera since early 2020, serving first as vice president of engineering - platforms and then as corporate vice president, hybrid cloud. Prior to Cloudera, he was the founder and president of SnappyData, an Apache Spark-based in-memory analytics platform provider that was acquired by TIBCO Software. Before SnappyData, Sudhir held management positions at Pivotal, VMware, and Gemstone Systems. He holds a bachelor's degree in engineering from Pune University and an MBA in entrepreneurship from Babson College.
